Amazon Interview Experience | Set 180 (Telephonic Interview)

- Last Updated :28 Jun, 2019

I had a telephonic interview. It was of 90 minutes.

Questions asked by me.

1. Tell me about yourself.
2. What was your college project as well as what type of platforms used?
3. What is TRIE?
4. [Write the function for insert and search for TRIE?](#)
5. [DFS](#) and [BFS](#) .
6. How to get the shortest path from (0 , 0) to (r , c) in a rectangular grid in which some cells are blocked.

Overall awesome telephonic interview.
