Google Online Challenge(MCQ\xe2\x80\x99s) Experience

- Last Updated :\n17 Aug, 2020

Last week I took the Google Online Challenge. I got this opportunity by enrolling with the Google Cloud Career Readiness track! and successfully completing Coursera Specialization on Google cloud platform along with 5 quests on Qwiklabs. I came to know about this Cloud Career Readiness track from college faculty. \xc2\xa0
